

PRESS RELEASE FROM KARIBUNI

14th May 2008

Rub Shoulders with Royalty at the Cartier Polo this summer for the England vs Australia match

This year's Cartier Polo line up is a good one for the Antipodeans as **England meet Australia** on the manicured green turf of Windsor Great Park for one of the greatest social days out of the year.

In addition the morning match features the **Prince of Wales team**, for which both the Prince of Wales and Prince Harry have played in the past, against the well known Hurlingham team. Royalty, including the Queen, Prince Phillip, Princes William and Harry and Princess Anne and Zara are often in attendance and clearly visible in the pitch-side Royal Pavilion.

Karibuni is once again offering the chance to experience a day at the Cartier Polo on Sunday July 27th with their excellent package to the premier polo event of the year. Their quality package costs just £65 per person and includes transport to and from Hammersmith to Windsor Great Park, bubbly on arrival, a delicious picnic lunch with wine and soft drinks and scones with jam and cream at the end of the day.

This great day out attracts over **25,000 spectators** who come to admire the quality of the polo, the pedigree of the horses and the glamour of the celebrities and upper echelons of British society. Visitors can rub shoulders with other spectators during the 'treading of the divots' between matches – just like Julia Roberts in 'Pretty Woman'.

Between matches you can visit the Retail village, a wonderful and varied shopping experience selling everything from 'posh burgers' to the latest 4 x4 car models.

Karibuni are also running trips **to Royal Ascot Ladies' Day** on 19th June and **Royal Ascot Saturday** on 21st June this summer from as little as £75 per person.

If you are interested in booking a social day out or for more information don't hesitate to contact Karibuni on 01202 661865, by email at info@karibuni.co.uk or visit the website www.karibuni.co.uk
